

PRIVACY POLICY

Your privacy is important to us. To better protect your privacy we provide this notice explaining our online information practices. Star Aviation Pty Ltd is firmly committed to protecting the privacy of our users and takes extra precautions to ensure all information is safe and secure.

We collect information from you if you contact us with a question, comment or specific information request. We will only use this information to respond to your enquiry and our policy is to never disclose, sell, trade or rent your personal information to an outside third party.

Our website may automatically collect information about your visit to our site. This information is used to make your visit to our site more efficient and allows us to make regular improvements. Our external web host may also automatically log your internet protocol (IP) address, a unique identifier for your computer or other access device by which you are accessing the Internet, and the Internet address from which you linked to our site, if applicable.

We use Google Analytics http://en.wikipedia.org/wiki/Google_Analytics which uses cookies to collect anonymous data about overall web site usage. For more information on managing cookies, please visit www.aboutcookies.org.

If you have any questions, concerns, or comments about our privacy policy and use of information please contact us.
